

Yearbook Senior Memory Pages

It is time to get out your photo albums and plan a senior memory page for your senior in the yearbook. Fill out the form below and mail it or drop it off at the school to Ms. Stout's mailbox by **December 2nd**. The print quality of the pictures in the memory page will greatly increase if you send digital photos by disc (with students full name written on it), though we have the ability to scan high-quality print photos as well. The Ursidae yearbook is FULL COLOR. The yearbook staff will custom design each ad giving a professional look to the community section while still providing individuality for each memory page. We are pleased to offer, new this year, a convenient credit card payment option through Pay Schools Online Payment Processing System.

Info for Background Photo in Ad

Memory pages are designed using a photo of your senior as the background. Be sure to include an individual photo of your senior with plenty of "background" space for this purpose. If you have questions, go to the WSHS webpage under "activities" then "yearbook" for sample layouts.
